BUILDING RELATIONSHIPS

EK Employment is proud to deliver the Employment Program of BC (EPBC). Services to employers support recruitment and retention efforts. Staying connected with your local employment centre means that we can connect you with the most qualified candidates and the services or supports you need. We strive to be on the leading edge of information for our unique labour market and share this knowledge with employers and job seekers. Want to find out more about services offered? Contact us today and let us do our best to connect you with what you need!

REACH YOUR LOCAL AND REGIONAL LABOUR MARKET

EK Employment hosts a popular online job board and website where employers can post an unlimited number of job advertisements for free. With over 500 visits a day our website reaches local and regional labour markets. Connecting with job seekers in the Kootenay region couldn't be easier!

EK Employment's job board is a compliment to the provincial job bank (workbc.ca) and focuses specifically on our region. Advertising through EK Employment enables employers to reach job seekers who are looking for work particularly in this region. Our self-serve areas are hosted full-time by staff who help guide job seekers to employment opportunities. We are motivated to connect you with qualified candidates.

WAGE SUBSIDY PROGRAMS

Sometimes the best hire may require additional training. In recognition of this a wage subsidy provides financial support to an employer as incentive to hire and provide work experience and skills enhancement to an eligible job seeker. Contact your local EK Employment Centre for information.

RESUME DROP OFF LOCATION

Find the collection of resumes overwhelming? Need to access staff for short-term work or post a job anonymously? Arrange any of the above through your local EK Employment Centre.

EMPLOYMENT EVENTS

Arrange to use our location for interviews, job fairs, or any other employment related events. EK Employment Centre's will do their best to accommodate your needs.
